**§ 575.409 Transshipments through the United States prohibited.**

(a) The prohibitions in § 575.205 apply to the importation into the United States, for transshipment or transit, of goods which are intended or destined for Iraq, or an entity operated from Iraq.

**§ 575.410 Imports of Iraqi goods from third countries; transshipments.**

Importation into the United States from third countries of goods, including refined petroleum products, containing raw materials or components of Iraqi origin is prohibited. In light of the universal prohibition in UNSC Resolution 661 on the importation of goods exported from Iraq or Kuwait after August 6, 1990, substantial transformation of Iraqi-origin goods in a third country does not exempt the third-country products from the prohibitions contained in this part.

**§ 575.411 Exports to third countries; transshipments.**

Exportation of goods or technology (including technical data and other information) from the United States to third countries is prohibited if the exporter knows, or has reason to know, that the goods or technology are intended for transshipment to Iraq (in-

cluding passage through, or storage in, intermediate destinations). The exportation of goods and technology intended specifically for incorporation or substantial transformation into a third-country product is also prohibited if the particular product is to be used in Iraq, is being specifically manufactured to fill a Iraqi order, or if the manufacturer's sales of the particular product are predominantly to Iraq.

**§ 575.412 Release of Iraqi goods from bonded warehouse or foreign trade zone.**

Section 575.204 does not prohibit the release from a bonded warehouse or a foreign trade zone of goods of Iraqi origin imported into a bonded warehouse or a foreign trade zone either prior to the effective date or in a transaction authorized pursuant to this part after the effective date.

NOTE: Pursuant to § 575.201, property in which the Government of Iraq has an interest may not be released unless authorized or licensed by the Office of Foreign Assets Control.

**§ 575.413 Goods intended for export to Iraq.**

The prohibitions contained in § 575.201 do not apply to goods manufactured, consigned, or destined for export to Iraq and not subject to § 575.517, if the Government of Iraq has never held or received title to such goods on or after the effective date, and if any payment received from the Government of Iraq with respect to such goods is placed in a blocked account in a U.S. financial institution pursuant to § 575.503. The prohibitions of § 575.205 apply to goods subject to this section.

**§ 575.414 Imports of Iraqi goods and purchases of goods from Iraq.**

The prohibitions contained in § 575.201 shall not apply to the importation of Iraqi-origin goods and services described in § 575.204 if the importation of such goods is permitted by an authorization or license issued pursuant to this part. However, any payments in connection with such importation are subject to the prohibitions contained in §§ 575.201 and 575.210.
